

I have nothing more of importance, than of my  
 Regt - are on the boat off to the Adpt. Bronaugh and  
 Hents. Dillard and Hiseover - give my kindest regards  
 to all Friends, I know not what your condition is I  
 have asked and still continue to ask God to remember  
 you in mercy, and I must submit quietly to his  
 Will in all things. I trust that all will be faithful  
 I hope James studies much about his Lords eternal  
 interest - and that my Sisters are truly humble and  
 that they never think of speaking unkindly to each. If so  
 this is not the Spirit of Christ - or remember me in  
 your Prayers, and believe me your son as ever
